

Learn about Cascading Style Sheets

The **LACUNY Web Management Roundtable** presents a workshop on **Cascading Style Sheets, or CSS**, and how this tool is being used around various CUNY library websites.

SPEAKERS

Galina Letnikova (Lehman)
and **Alex Rudshteyn** and
Slava Gurgov (Brooklyn)

Highlights

- Advantages of CSS
- How to implement it
- Quick tips to getting started with it on your own sites and projects.

Presented by the LACUNY Web Management Roundtable

John Jay Library Electronic Classroom
899 10th Avenue between 58th & 59th Streets

RSVP and contact: Monica Berger (mberger@citytech.cuny.edu)
